About Souzagad

Curated for a truly enchanting experience, families and friends have the opportunity to holiday at exquisite homestays like never before. With a growing bouquet of properties across India, Souzagad offers you the perfect amalgamation of nature, art, and design.

Souzagad brings together the essence of travel and hospitality, providing you with a heart to heart experience that goes beyond just the location. Every story has an experience which reconnects families to their loved ones, friends to the nostalgic memories and experiences they shared, corporates that helped their team to stay bonded and motivated, or anyone looking to fulfil their true comfort and aesthetic desires. We believe that true luxury is not just about opulence and extravagance but also about creating a sense of comfort, ease and familiarity. That's why our properties are infused with a touch of homeliness and service that speaks of friendliness. Relish the ultimate hospitality with intimate and tranquil spaces carefully thought off and curated for any occasion or adventure that you look for.

The story goes back to being the brainchild of creative connoisseur and Interior Designer, Suresh D'souza, when he manifested Souzagad by the River as the D'souza family's personal abode – a home away from the hustle and bustle of the city, completely disconnected from the real world, but equally connected to nature. Designed with utmost serenity, privacy and luxury in mind, we offer you to truly 'live the experience' which can be cherished as memories for eons to come.
